

SADIE NASH ADVISORY COUNCIL

WHAT'S THE WORD?

We are excited to launch our first ever Sadie Nash Advisory Council (SNAC) with the purpose of: supporting our mission, deepening our impact in the world, advocating on behalf of our program participants (who we call Nashers), and serving as ambassadors in our community to raise our profile.

WHAT ARE WE DOING?

We are committed to develop a well-composed Advisory Council made up of people across the nation who are aligned and passionate about youth development, racial justice, gender justice and more. Are you this person? Would you be interested in joining SNAC?

WHAT CAN YOU EXPECT?

Advisory Council members will have the following expectations:

- ✦ Provide advice and critical thinking in areas pertaining to our organizational needs
- ✦ Provide the board with trends, solutions, and knowledge that could impact the organization
- ✦ Support with an event or campaign by lending your name and your resources
- ✦ Leverage your network to help us connect to more people and organizations
- ✦ Virtual convening 1-2 times a year

SNAC is an independent body, but will provide a sounding board for our Board of Directors. Term limits will be 1 year with an option of renewing for an additional year. We are seeking members from a wide range of experiences, career paths, backgrounds, and perspectives.
